Dear Mr. Ben-Veniste:

Re: Watergate Defendants

Reference is made to a letter of 20 August 1973 from Mr. Lawrence R. Houston of this Office in which we advised you that the law firm of Schultz & Overby had requested information about the service of their clients with this Agency.

In this connection, I am enclosing the information we have on Bernard L. Barker and Eugenio R. Martinez. We would appreciate your comments and suggestions on how this information should be provided to Schultz and Overby and Judge Sirica, since it is classified SECRET.

Sincerely,

  
John S. Warner  
Acting General Counsel
